| <b>Lead</b>              | Dorcas  |
| <b>Programme</b>         | Ukraine Joint Response  |
| <b>Programme purpose</b> | To provide life-saving humanitarian assistance to 25.400 most vulnerable people affected by the conflict in Eastern Ukraine and ensure efficient implementation of humanitarian response activities on the part of the DRA. |
| <b>Period</b>            | 6 months: 1 December 2015 - 31 May 2016   |

|                                      |                |               |
|--------------------------------------|----------------|---------------|
| <b>Total number of beneficiaries</b> | <b>SECTORS</b> |               |
|                                      | Shelter/NFI    | <b>19.848</b> |
|                                      | Food Security  | <b>5.130</b>  |
|                                      | Health         | <b>2.450</b>  |
|                                      | <b>Total*</b>  | <b>25.400</b> |
| <i>*Without double counting</i>      |                |               |

**Key Objective 1: To address essential shelter and NFI needs of the most vulnerable IDPs and conflict affected population through monetized/in-kind assistance and contingency**

| Shelter/NFI   | Indicator  | Target (Measurement unit according to Indicator) | Target individuals | Location (Region)   | Implementing organisation                            |
|---|--|--|--------------------|---|--|
| <b>R1: Most vulnerable conflict-affected people are provided with (winter-related) monetized/in-kind NFI assistance</b> | # households provided with (winter) NFI (e.g. clothes, bedding, heating items) | 3550   | 10650              | Donetsk Oblast (GCA, buffer zone, NGCA), Luhansk Oblast (GCA, buffer zone, NGCA)              | Cordaid, Dorcas, Save the Children, Terre des Hommes |
|   | # of households provided with winterization or multipurpose cash grant         | 1266   | 3798               | Donetsk Oblast (GCA, buffer zone), Kharkiv Oblast, Zaporizhzhia Oblast, Dnepropetrovsk Oblast | Dorcas, Save the Children                            |
